

UNITED STATES ARMY

I think of you very often

And I write you every day

But there's so very little

That seems worth while to say

It either rains or it doesn't

It's either hot or cold

The news is all uninteresting
Or else, it has all been told.

I think about the way you smile

and I recall your touch

and distance lends enchantment

and I miss you Oh - so much

The only thing that matters

is the fact that you are there

and I am here without you

and it's lonesome everywhere.

I love you truly

Marnie
